but to have fun making money at the same time !!**

All it takes is a little practice, and you, too,
could be operating your own Magic Rice business.
You can locate in Malis, Flea Markets, storefronts, or from your own existing business.

Our system is unique in that we offer the simplest, most concise plan ever to succeed
in your own personalized hand-crafted rice jewelry business. You write your cus-
tomer's name on a grain of rice with our special pen, and seal it in the bottle of your
customer's choice with our own proprietary suspension fluid.
